

To Bobby

We had real fun together
And we'll love him forever.
He was really our King and
We did many good things.
He'll continue to be bright as a star
Even if a little bit far
He likes both Brunello and Science
Women Sun Music and Life.
Please be with us forever
So we can stay together.

In Memory

REMEMBER me when I am gone away,
Gone far away into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go yet turning stay.
Remember me when no more day by day
You tell me of our future that you planned:
Only remember me; you understand
It will be late to counsel then or pray.
Yet if you should forget me for a while
And afterwards remember, do not grieve:
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.
